8.1) Please comment on what you feel are the positive and negative aspects of your instructor and his/her teaching outlook:

The instructor’s enthusiasm for the subject greatly enhanced the learning environment. He really cared that students understood the material.

Awesome teacher!!!
Really made physics understandable and his main goal was wanting Dr. Kunchur is probably one of the best professors I will have in college. He teaches very well, has great classroom manner, and truly cares that we learn.

Great professor

Excellent, I have had no better. Makes physics enjoyable and understandable
He explains everything very well. Interacts well with the students.
The course material is difficult but he teaches very well.

Dr. Kunchur is an excellent teacher! He is easy to follow and understand, he will go as quickly or slowly as desired and he has a unique sense of humor, plus some great stories!
He interacted well with students, cared that we learned, was always available for help, and catered to students needs.
He’s amazing
Dr. Kunchur is awesome

Dr. Kunchur is very clean, patient, fair, basically an awesome physics teacher that can make anyone love physics. His grading system is fair, his tests are challenging but reasonable they make you think.

Teacher is very charismatic, makes subject fun.

It was sometimes difficult to learn simply from example problems.
Greatest teacher ever. Clearly represents material, used active sources well. Overall a great experience.

Professor Kunchur is the best possible teacher. He's brilliant, funny, and a wonderfull conveyer of knowledge. There is nothing bad to say. I will take any course he instructs with enthusiasm. He is amazing.

Great teacher, my favorite professor yet.

This guy is such an amazing professor.

I LOVE YOU

8.2) Comment on what you feel are the positive and negative aspects of this course:

Kunchur is awesome!

The material was difficult but the professor explained concepts really well. He needs to teach Physics 212!!!

Really want him to teach Physics 212.

The only negative aspect is that he is currently not teaching 212 honors.

Excellent.

It gives a good understanding of the fundamentals of physics.

No negative aspects with Kunchur teaching! Awesome teacher.

The course is hard, but Kunchur is great.
It's too early in the morning

Absolutely no negatives. Fantastic course. Take it!!!

Positive: Great guy to learn from
Negative: He's not teaching 212!

The textbook was horrible

overall great experience

Covers interesting material. Moves at the right pace. Not too slow or too fast.

The course is challenging, but Dr. Kunchur is incredible

I love you
